What is the purpose of the 2022 PAS Congress?

The purpose of the MDS Pan American Congress is to: share ideas, encourage interest among all those involved in the care and research of Movement Disorders, participate in the activities of MDS and advance the related clinical and scientific discipline.

Why should fellows attend the 2022 PAS Congress?

All attendees of the 4th Pan American Parkinson's Disease and Movement Disorders Congress will have the opportunity to:

- Facilitate communication between clinicians and researchers in the region
- Disseminate updated knowledge about movement disorders
- Improve quality of life and independence of movement disorders patients and caregivers
- Promote research in movement disorders within the region
- Expose clinicians, researcher and healthcare professionals in the region to movement disorders initiatives and in so doing, encourage their membership in the MDS-PAS

Who will attend the 2022 PAS Congress?

Clinicians, researchers, medical residents, medical students and other non-physician health professionals who have an interest in the current research and issues in the field of Movement Disorders that are specific to the Pan American region.

Are there publication opportunities available via the 2022 PAS Congress?

Abstracts accepted for presentation at the 2022 PAS Congress will be published in an electronic supplement to the *Movement Disorders* journal, online edition.
